

PCI Compliance Press Release

Press Release

FOR IMMEDIATE RELEASE

MSI Merchant Services, Inc. Releases All PCI Compliance Certifications and Listing Information

New Providence, New Jersey – March 23, 2009- - MSI, Merchant Services, Inc. is excited to share information about all PCI Compliance Certifications and Listings including inclusion on the PCIstandards.org member list ([PCI Security Standards Member List](#)); listing as a VISA PCI DSS Validated Service Provider ([VISA Compliance List](#)); and also their certificate issued by the state of New Jersey for demonstrating full compliance with the PCI Security Standard. MSI invested in advanced information technology systems that not only furthers the safety of the merchant information but also advances their ability to assist their clients quickly and efficiently; giving unsurpassed customer service to merchants and ISO's alike. MSI has implemented groundbreaking security systems creating a secure and safe place for merchants to process their payments.

New government regulations require that all businesses are to be in full compliance with the PCI Security Standard. Standards include; building and maintaining a secure network, protecting cardholder data, implementing strong access control measures, regularly monitor and test networks for system security, and maintain an information security policy. MSI took the opportunity to further advance their information systems and offer more service, more information sharing and more security to their customers.

About MSI

MSI, Merchant Services Inc., was incorporated in 1989 and is currently located in New Providence, New Jersey. Since our inception, we have grown into a nationwide leader in the payment processing industry. MSI has strong relationships with all the major card networks including Visa, MasterCard, Discover, and American Express. As a result of these strong bonds, based on our expertise and proven professionalism, our company is proud to service over 100,000 merchant locations.

In a strategic move, MSI established its own BIN relationship with First National Bank of Omaha, giving MSI the flexibility to approve more accounts quickly. In addition, MSI's business has expanded to include such programs as Check Guarantee, Gift & Loyalty Cards, and our own private Gateway.

More merchants trust their businesses to MSI, thanks to our established service excellence and our strategic management style that can bring over 100 years of combined experience. Our mission is to earn your business with great service and to continually provide our customers reliable and safe payment options.
